Marie 2014

NUCCIA DI PASQUA lives in Basel and is a free and polyhedric artist. After the linguistic Baccalaureate, she studied some years Latin and English in Basel. She is a self-taught artist. Her works are exposed on her virtual atelier *Cercando di disegnare Caravaggio*. Florence Biennale 2011 was her first exposition. Other expositions: Small Wonders at Linea Spazio Arte Contemporanea, Florence (2013). 1st Biennale of Creativity, Verona (February 2014). You'll find more about her and her expositions on her virtual atelier.
